* The first quarter deficit needs to be offset in the remainder of the year.

A Spirit of Generosity ties directly to who we are as Jesus followers.

As you give your time, talent and treasure to the local church, you provide the crucial resources needed to help us introduce people to Jesus and equip them to be disciples who can make a difference in their homes, schools, workplaces and community. We also give generously as a church to others in need both locally and around the world.

We want to keep you informed and be transparent about the ways your contributions help us spread the love of God. And we're constantly assessing ways to equip you to give easily both in person and digitally.

See what you helped us do!

beCause of you...

“Freely you have received,
freely give.”
Matt. 10:8
