

2020 NMI (Missions) President Report

First of all, I want to thank you for your prayers for our missionaries, our partnerships and the people to whom we serve and share God's love and good news. Even during a year full of unexpected situations and lockdowns, not surprisingly, God has been at work doing great things! It is such a privilege and a humbling experience to serve God in missions locally and globally.

Globally, we continue to send funds to Nazarene Missions International World Evangelism Fund, which supports Nazarene missions worldwide.

- First, we have been able to continue moving forward with building projects in Honduras, as well as help them with hurricane relief after they were hit by back-to-back storms.
- Second, we continue our partnership with Monica Boseff in Romania, a ministry that provides assistance, counseling and protected housing for human trafficking victims.
- Third, we continue to help support Cuban pastors.
- We were also able to supply Christmas gifts to many widows in Africa through Sundi's Gift.
- Lastly, Angel Jones has been called into the mission field and we are excited to help out with prayers and some finances.

We have also partnered with many local ministries.

- It was wonderful to be able to partner with While We're Waiting, a support group for bereaved parents in our area.
- Also, we were able to supply hope totes through Sunday Breakfast Mission, a homeless shelter in Wilmington Delaware.
- We have continued our partnership with the Lighthouse Community in Baltimore City. We are so blessed to have fostered many relationships with the quizzers there.
- We have also continued our partnership with Welcome One homeless shelter in Belcamp which provides food & shelter for many.

We continue to look for new ways LOCALLY and GLOBALLY in which we can share God's love.

I am, personally so excited to see how God continues to move and work in and through our church to spread God's love and the good news he brings through Jesus Christ. Be looking for ways that God is directing you personally to pray, give and serve. We will be holding our Faith Promise Emphasis on Sunday, June 13th. There are many ways to be a part of what God is doing. Also, be on the lookout for a newer small group that has developed called Hands & Feet. There are so many blessings God gives when we choose to serve Him by serving others.

Respectfully Submitted,

Kathy Artman
